The open house is well behind us and was a great success due in no small part to Tom Cook's Herculean efforts in organizing the production. (Including lots of help and work by numerous other club members). I know that Tom will not run the show again, but has said that he would take the lead on a lot of the nuts and bolts aspects of the open house such as permits, banner, tent etc. Chris Cooper will help us once again regarding food acquisition; he saved the club a pile of money on food costs this year. However, the Past Commodore is no longer the chairman of the Open House. Accordingly we will need a new structure to organize the event. There is a lot of experience in the club regarding putting on this event.

Please be thinking about which part of the production that you can step forth and manage next year.

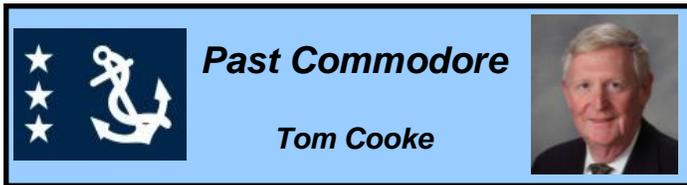

As most of you know, the proceeds of the open house go to cover club activities such as Sail Camp as well as maintenance and improvements to our facilities. There is currently an issue regarding the East wall of the club house having some dry rot issues that should be addressed in short order. There after, I think that the fence could use some work. (Deferred maintenance seldom produces dividends.)

Other improvement that have been suggested include kayak and SUP storage and expanding the slab to fill in the dirt area at the front of the club, perhaps with a fire pit. Your thoughts?

In terms of maintenance, special thanks go out to Dennis Pellisser for rebuilding the pump cover/table prior to the open house. He did a great job and we should be set on that project for another 20 years or so.

Finally, I'd like to thank everyone for keeping our dumpster locked after each deposit. This keeps other folks from using it and running up our costs. On that note, if you are the last one to leave at the end of any given day and there is trash in any of our cans, please dump it before you leave. If we don't, the raccoons will do it for us and they are not as fastidious as we might like.

Anyway, some of the best days of the summer and the sailing season are still ahead of us, so, get out and enjoy the lake, the cool breezes and the sunsets!

This year's Shrimp Feed and Open House was well attended. At this time, we are still waiting for the final tally which we will use to support our Junior Sailing Program and to make improvements to our clubhouse and grounds. As I noted in a previous column, we are soliciting suggestions from our members regarding which improvements should be undertaken. Please email any board member with your suggestions.

I want to especially thank our \$1000.00 sponsors Peg Larson (Transcounty Title) and Gary Hogston (Merced Honda) for their donations to our club. Our guests filled 33 tables this year and we served north of 230 dinners. All of you should give a shout out to Chris Cooper for getting us a great deal on all of our food; to Dennis Wainwright John Larson Craig Anderson and Rachel Hadley for cooking the shrimp; to Dan Farmer for preparing a superb pasta sauce for our Rigatoni; to Brigitte Loeffler and Rachel for directing the kitchen crew and clean up; to all the Sea Scouts and Junior Sailors working long hours to prepare for our guests and serve them and to Jay Souza and Diane for all their help.

I want to thank all the members who gathered items for our auction, especially Jerry and Suzanne Johnson and Peg Larson. A big thanks goes out to Peg who was instrumental in putting the entire raffle display together and setting up the silent auction as well as the table decorations as well as Jerry and Suzanne for the wine labels.

Mike Streatly was outstanding as our MC and auctioned off Two (2) Dennis Wainwright's Pies for \$500.00!! I also want to thank the volunteers who took our guests sailing during the afternoon. I also want to thank all of the unnamed club members who also stepped up to make this event a success. See you at the lake.

Our first group of Junior Sailors were the ROTC from Salinas. They purchased an American flag for our now erect mast.

A huge thanks to Dennis Pellissier (a new member) for the reconstruction of the umbrella table! Also, a shout out to his helper, Matt Loeffler, who got the job going. The table looks like it will last another 10+ years.

It is hard to believe that the end of summer is upon us! I feel like I missed the entire season. Actually, I have missed the entire season. I will console myself with the fact that there is still some good weather time to be had in September & even maybe October. At our last General and Board meeting, there was some discussion about House improvements. Two suggestions were made: one to have the fence repaired/replaced and the other, to look into repairing the house siding & perhaps windows. I will be looking into getting estimates for both of these projects. If this is something you do for a living or if you know someone who is reliable and may want to bid on these projects, please let me know. (Debbie 209.777.4655) I would like to have these bids end before the end of the year as both the Board and the

*(House Captain Continued on page 4)*

**Membership Meeting**

**Join us in September!**

LYSA Clubhouse

**Tuesday, September 10th**

6:30 pm *Dinner / Social*

7:00 pm *Membership Meeting*

*Board Meeting to follow*

*(House Captain Continued from page 3)*

General membership needs to approve the expense. Our housekeeper has told me that we are having an issue with mice again. Please be aware of this and do not leave food and garbage in the house for them to feed on. Outside, we have the raccoons making a mess. Please use a garbage bag in the trashcan and if you are last at the House, please make sure the garbage is emptied both inside and out. I have contacted our Pest Control people, but let's do our part to curb the problem.

Elections are coming up! Serving as House Captain is a great way to be involved. The duties are keeping the supplies available for Club events and making sure that the house and yard are taken care of (We have both a housekeeper and lawn maintenance person.) If you are interested, please let a Board member know. Our LYSA Club is only as good as its members.

June was a challenge for my family. We went through many storms early this summer and then on July 18<sup>th</sup> my mom left this world. I know we have had many losses this past year in the LYSA Club and I want to use my space in this newsletter to share this poem about the challenges of life, their marks on us, & finding safe harbor at the end.

Thank you for the card & phone calls of support acknowledging my mom's passing.

Thank you to Craig & the Junior Sailors for helping out with the recycling and to everyone else who

stepped up to help with the responsibilities of the House Captain while I was gone.

Thank you all for taking care of the Clubhouse and cleaning up after yourselves. Please remember to empty cans & plastics before putting them in the recycle AND glass goes in the trash. At the end of the evening, if the inside or outside garbage cans are full, please take them to the dumpster. The key to the dumpster is in the drawer to the left of the oven. Please lock the dumpster & return the key to the drawer. We each need to do our part to keep things clean.

In June, someone sprayed the honeybee hive at the base of the tree in LYSA's front yard. Jacob and Debbie Harden were in the process of getting the bees moved. It is very sad that this happened.

In a world without bees we would probably survive. But our existence would be more precarious and our diets would be dull,

poorer and less nutritious. And not just for want of honey.

Even some plants grown to feed to livestock for meat production, such as clover and alfalfa, depend at least partly on bee pollination.

"Loss of pollinators could lead to lower availability of crops and wild plants that provide essential micronutrients for human diets, impacting health and nutritional security and risking increased numbers of people suffering from vitamin A, iron and folate deficiency."

*Pollinators, Pollination and Food Production The Intergovernmental Science-Policy Platform on Biodiversity and Ecosystem Services (IPBES)*

LYSA t-shirts, hats and burgees are available for purchase.

# Safe Harbor

Written by Jennifer Hickok

The storm has been raging for so long now  
Pouring rain, crashing thunder, howling wind  
    Beating down on this lonely ship  
    Searching for a place to call home

There was a time; it seems so long ago  
The sun shone brightly in the clear blue sky  
Looking up from the bow into forever  
A gentle breeze, cotton candy clouds

    But the storm slowly moved in  
A few scattered showers and thunderstorms  
Days of downpour, flashes of lightning  
    With shelter so hard to find

Rainbows still shone, beacons of hope  
    In the unlikeliest places  
Vibrant against a backdrop of gray  
    A glimpse at the best of times

    As the years passed by  
The storms changed, getting worse  
    Getting better, and fading away  
    But they'd left their mark

    A vessel is forever changed  
    When touched that way  
And although you can rebuild  
    The damage has been done

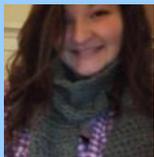

Horrible storms had been forecast  
    For the not so distant future  
    But they wouldn't hit this ship  
Not again, no more damage would be done

    The ship will be protected now  
Lost no more, tossed about no longer  
Safe in a harbor to forever call home

**Race Captain**

**Miranda Hadley**

The Summer Series is over for 2019 with our last race taking place on the 29<sup>th</sup> of August! I hope you all had a fun time and would like to thank all of you for being patient with me while I figured out my duties as Race Captain!

I would like to say a huge thank you to Rachel Hadley for taking the time to go early and set the marks. I'd also like to say a huge thank you to Don Hadley for staying out late to collect marks. Both tasks are super important to making these races possible. I'd also like to thank Linda Sorenson, Deb Harden and Rich Kleitman for helping the race committee this year, it was so greatly appreciated! I would also like to thank George for assisting when Don Hadley's make shift rudder snapped for a second time and picking up marks on his jet ski when the committee boat ran out of gas! I am sure I am forgetting people to thank so, I'd like to say a general big THANK YOU

to all of you who made these races possible! I'd also still love to hear for you guys regarding nominations for most improved sailor and best crew! Lastly, I would like to set up some fun races while we still have water. If anyone has any ideas feel free to email me.

1<sup>st</sup> Half Results

**LYSA Membership Meeting Call to Order:** A combined meeting of the LYSA Membership and Board was held on June 11, 2019 at the Lake Yosemite Sailing Association Clubhouse. The meeting convened at 7:08 pm, Commodore Chris Cooper presiding.

**Reports - Actions - Discussions: Commodore, Chris Cooper:** Chris welcomed members to the meeting. He is looking forward to a good year with a good team, good ideas. Invited Board / Committee Members to report.

**Approval of Minutes:** Minutes read by Chris Martin. **Motion:** Moved by Dan Farmer to approve minutes, second by Jerry Rokes. **Motion carried.** Question: When is the newsletter posted on the website?

Tom first George 2<sup>nd</sup> waived reading of the minutes.

**Commodore, Chris Cooper:** Approval to make purchase through US foods, we will have savings / rebates

**Vice Commodore, George Deane:** boat needs to be painted, hot day to stretch the rub rail. Boat is in good shape.

**Past Commodore, Tom Cooke:**

Shrimp Feed – 140 tickets out, around 120 left. 30 tables ordered, 16 tables reserved now  
 Tom is running an ad online  
 1 hour jazz band 6-7 during dinner, 7:30 on rock band  
 Raffle, pin winners to bags (same colored tickets), small auction, call for desserts from Members  
 Jerry / Suzanne donating wine, 6-7 raffle prizes  
 Banner to Fire Department to be hung  
 Food: deveined, shell off shrimp, bread from Save Mart,  
 Need: set-up crew for Friday @ 5 pm, tear down crew, roll tables, stack chairs, on side by garage for easier pickup  
 tent up front  
 30 tables ordered, chairs  
 Cooking Dennis, John, Dan, Crieg  
 Kitchen Brigitte  
 Servers: Jr Sailing  
 Peggy – table center pieces, raffle prizes Thursday and Friday night  
 Boat Rides: Craig  
 Need: contact Rick Lundgren about ice, we will have three big ice chests  
 Shirt sale, register your dessert for the auction  
**Treasurer, Diane Sousa:** The Treasurer's report was shared. 63 current Members. There are 87 slips, 50 with names.

*(Minutes Continued on page 8)*

**Cruise/Social Capt.**

**Jay Sousa**

September already, where did the summer go?

As we begin to wind down our 2019 sailing season at LYSA I want to remind you that even though the sailing is almost done for the year LYSA will still have a lot of fun activities.

Our monthly potluck and membership meeting will be held on Tuesday September 10<sup>th</sup>. Potluck starts at 6:30 with the membership meeting at 7:00.

On Saturday September 21<sup>st</sup> we will be hosting the great musical group the BobTones at our clubhouse. This is a potluck and the band is requesting a \$5.00 donation. Please bring your own drinks and paper products. The music begins at 5:00 pm and goes to 10:00.

Our annual year-end racing awards and election of Officers for 2020 will be held on Saturday, October 26<sup>th</sup>. Stay tuned for details.

Don't forget to mark down Saturday December 14<sup>th</sup> for our annual LYSA Christmas Party. This fun event will be held at the Fish and Game Clubhouse at Lake Yosemite.

Even though racing season is now done for the year we will still have water to sail on until early-mid October. Let's still plan on meeting at the lake on Thursday evenings to sail and socialize!

As soon as we get official notification from the MID on when we will have to pull boats we will be letting everyone know.

Hope to see you all at the Lake!

**Upcoming Events**

Special Needs Sailing Day 3—7 pm

**August, 2020**

Thursday Night Racing  
Racer's Dinner  
Junior Regatta

**Dates are To Be Determined. Subject to change.**

(Minutes Continued from page 6)

Chris Cooper asked to vote in new members Jack Hanson (former Junior Sailor, in college, bought a Force 5). Dennis and Renee Pellisier. Voted in by Acclimation.

Discussion regarding "ad hoc" policy regarding use of Clubhouse / Docks and key issuance. We should get everyone a house and dock key. Non member slip renters should only get a dock key.

Dumpster: Waste Management letter regarding misuse of the dumpster. The dumpster is not being locked and the dumpster is being overfilled. They will make us get a bigger can and make us pay \$25 more to get a bigger can.

**Dock Captain, Dan Farmer:** Not present

**House Captain, Deb Harden:** Wanted to make sure that we all know that we no longer recycle glass. She will post two new signs: empty recyclables before you put them in the bin, no glass.

**Cruise / Social Committee, Jay Sousa:** Not present

**Race Captain, Miranda Hadley:** Miranda thanked Deb for running the Regatta. Strelay gave Miranda the ratings, she will post them near the computer.

**Junior Sailing, Matt Loeffler:** First week of Jr. Sailing, Salinas Naval ROTC is here. Their leader thanked us for the opportunity and hospitality.

**New Business:** Mike Brady

Outboard motor padlocked onto the boat, was here on Sunday, checked today and the motor is removed from his boat.

Discussion: closed wi-fi system with DVR and camera.

Kendall will get a quote and will present at next meeting. Jack suggested putting up false camera and surveillance sign may deter. John Derby – LYSA's presence is a benefit to the community, helps to save lives. May go before the County Board of Supervisors and ask for surveillance. Our role has been a benefit to help those on the water who need assistance. John volunteered to go before the Board to ask for more hours to be on the property. Frank Rybka suggested we go to Bryan Behn first. Deb: we haven't had a super bad problem with theft. Signage posted on the edge of the docks: private property, keep out.

Chris Cooper and Tom Cooke will write a letter advising him that he is not welcome to come to Club events.

**Old Business:** Deb asked about keys. Chris: Dan Farmer has the keys. Chris will give Jack his key. We continue to discuss rekeying the house. We should have a key turnover during the winter where old members come out and turn in their keys. George: Chris Cooper needs to get an estimate. Tom Cook

will get 10 keys tomorrow. Don and Miranda do not have a key. Chris suggested a key log.

Frank Rybka surprised and not happy to see Bill Goldfus at the Regatta. Not a member, public event.

Chris Cooper apologized for members discomfort, but we have exhausted our options.

Darryl asked for member applications to be kept at the Clubhouse to give to potential members.

**Good of the order:** Next Wednesday 6/19 we will celebrate Cathy Derby, 6 pm. Food and drinks provided.

**Adjournment:** The next LYSA General Membership meeting will be held Tuesday, July 9, 2019 at the LYSA Clubhouse. Social 6, Potluck at 6:30 pm, Meeting at 7:00 pm, Board following. **Motion:** Moved by Tom Cooke to adjourn, and seconded by Frank Rybka. **Motion carried.** Membership meeting was adjourned at 8:05.

## July 9, 2019

General/Board Meeting Minutes

Meeting started at 7:00 pm

## Board Reports

Sec./Chris Martin not present. Motion made by George to table minute reading until next meeting. Debbie seconded. Approved.

Commodore/Chris Cooper Offered a big thank you to Tom Cooke for the successful Open House.

(Minutes Continued on page 9)

(Minutes Continued from page 8)

Vice Commodore/George Deane Wants to know who owns the Hobie 14 in front of the garage. He will look up the CF# and see what he can do about the boat.

Treasurer/Diane Sousa passed out the treasurer's report & went over some of the details on it. Now have 64 members, up two from last year.

Race Captain/Miranda Hadley Asked Thursday night sailors to please sign in. When there are boats on the water, the only way to know who is racing is the sign in sheet. New binoculars were discussed. Miranda will look into the costs. Two starts was discussed. That may happen for the second half if there is a consistent numbers of racers.

Cruising Social Captain/ Jay Sousa Reported that the 4<sup>th</sup> of July was a good turnout. Fun race & good food. Ideas for events: Sunday fun sails, raft ups (overnight?) Water battle on the water. Maybe during Special Needs sail or just a fun sail for the Club. Reminder the Special Needs Sail is August 3. Spent some time lining up Thursday night dinners: July 11 Sea Scouts & Dawn will prepare Thai food. July 18 Dennis will cook something up. Need someone on July 25<sup>th</sup>. We have some leftovers from events that could be used for dinners. Tri-tips (frozen, not cooked), pasta & pasta sauce, Dan Farmer has shrimp.

House Captain/Debbie Harden Reminder that the office is NOT for food storage. Food should be stored in the kitchen.

Port Captain/Dan Farmer reported that the tent for the Open House is a must! Everyone agreed that it was very helpful. There is a finger on the dock that lost its support. Won't be able to fix until winter. The slip doesn't belong to anyone. Will caution tape it off. Also a water valve has been turned off because of a leak.

### **Old/New Business**

New Members discussion. George says he has contacted all the new members. He is going to put together a new member booklet. Discussion about reciprocal clubs and ID cards. Because Jay does school pics, he has access to an ID card maker, which will produce a hard plastic card for 27 cents apiece. He and Diane will take care of this.

Discussion about people using the docks for swimming and fishing. Dan Farmer will be purchasing several (6 or more) signs that say Private/ No Trespassing. He will contact the County to see about putting a few on shore at the favorite swimming locations. They will be put on the docks, also. No one should be on the docks for fishing, swimming or photography. Insurance liability.

Wakes tearing up the boats & docks. It was agreed that the 5 mph buoys are too close. John Derby will contact the county about putting them out farther. Don Hadley suggested we rebuild the wake breaks we used to have, at least for the floating dock side since the boards could be connected to the pylons.

### **Good of the Order**

Tom Cooke said how nice it was to have Jerry & Suzanne Johnson at the meeting.

Jerry wanted to know when the second half of the racing season begins. Miranda said July 11<sup>th</sup> is the end of the first half. Second half starts July 18. Brigitte moved to adjourn. Tom seconded. Approved Meeting ended at 8:02 pm.

### **Minutes August 13, 2019**

General/Board Meeting Minutes  
Meeting started at 7:00 pm

### **Board Reports**

Chris Martin: not in attendance Minutes readings tabled again Tom C. first, Rachel second, passed  
Chris Cooper: not in attendance  
George Deane: Reported about the work he has done on qualifying for 501C3 (non profit) Steps: set up corporation, submit application, one time expense \$275. May be a filing fee for establishing corporation. Our status limited to less than \$50,000 and must be stated on our insurance. Diane &

(Minutes Continued on page 10)

(Minutes Continued from page 9)

George need to get together on this because some of the things (such as tax id) may be in place as we are already a non profit. The non profit we will be applying for is a different status.

George is to go forward with this. Jay motioned, Tom Cooke second, approved.

George also brought up the idea of motorboats in our docks, or specific motor boats, such as our race committee boat. Much discussion. For this to go forward, the board would have to approve & put before the general membership for approval. George is going to follow up by looking at our contract with Merced County. Tabled.

Tom Cooke: no report Volunteered that his future involvement with the Regatta & Open House will be the prework necessary but no involvement the day of the events.

Diane: Report. New member. Question about the shrimp feed. Diane did not have the numbers, but puts the profit above \$4000.

Miranda: Nothing new. Asked for nominations for Most Improved and Best Crew

Jay: Sea Scout appreciation dinner. One of the last

Thursday Night Races. John Derby motioned, Tom seconded, approved. John Derby will provide the burgers. Next year, there needs to be a equal participation of Jr. Sailors & Sea Scouts. Suggested that the funds that usually go to Jr. Sail be split with the Sea Scouts.

Bob Tones Saturday September 21<sup>st</sup>. about 100 people both Club members & general public. This year they are asking for donation of \$10. Jay not sure how that will be dealt with. This is also a potluck and byob. LYSA simply provides the venue. Jay will get permit for amplified music. He wants it shut down & people out by a certain to be determined time.

Saturday Oct. 26<sup>th</sup> Party/ Awards/ Elections  
December 14<sup>th</sup> Christmas Party at Fish & Game  
November 9<sup>th</sup> Wine tasting event

Jay encourages the next Social Captain to jump right in with the Souper Bowl Soup Party in January. Discussion about how to manage the Thursday night after races dinners. No one wants to be responsible for every Thursday. Ideas: catered, Taco Truck, sign up sheet for different people to host the event each week.

Debbie: Mice issue again. Called Thom and willing but out of town. Deb to call Gecko our pest people and have them take care of the issue.

Please put garbage bags in the trash cans before the trash and if you are the last person at the club, take it to the dumpster. The raccoons are making a mess with

the garbage left in the cans.

Dan Farmer: not in attendance

### New Business

Tom Cooke: the \$10,000 in our improvement fund needs to be used. Asking for ideas: John said the shed where we store kayaks could use an access door from the yard. A covered area where the dirt is now to provide shade for ticket sellers, etc when we have an event. The front of the house has been suggested often in the past, leaking, rotted. New windows. New fence.

Craig: It was reported that the gate was not locked by a club member. If you unlock the gate, lock it back. Do not assume that someone behind you will do it.

Rachel: \$800 was collected for Steve Leonard's memorial. She needs ideas for this. It was suggested planting trees to replace those that were cut down.

Peg: There are dead areas in the grass. The sprinklers need to be fixed. Someone (Debbie) needs to talk to Dave's gardening to tell him what we would like done. Besides mowing, he could take care of the flower beds or we could have a work party to do this. It was reported that the wood is stacked on top of one of the sprinklers.

Don, Rachel & more moved the wood.

John Derby: Wants us to be careful about our association with MID. We have a good relationship and don't want that hurt. We lease our club from them. John Larson reported that last year they donated wood for some of the dock work. The Dock Captain should stay in contact, be our representative, with MID to know about lake levels.

Gary H: would like Dan to make a plan to replace the support poles that are rotted away.

Deb: reported that the rollers on the floating docks need replacing. Craig said there are new ones in the garage.

Dock Captain needs to address these two things.

Adjourned 8:07pm

George called for a quick Board meeting.

Board approved Dawn & her girls as members of the Club. Tom first, Deb second, Approved
